GENERAL SECRETARY
15 MAY 1937

SIR,

Re. the grant to the Sri Ramadevaru Temple at the Sri Krishnarajendra Extension, Tumkur.

I have the honor to forward herewith a copy of letter No.M.2103/36-37, dated 31st March 1937 from the Deputy Commissioner, Tumkur District, recommending the grant of Rs15 per month to the Sri Ramadevaru temple at the Sri Krishnarajendra Extension, Tumkur, from the Reserve of the Damodar Doss Charities in the Kunigal Taluk.

2. A copy of the sanctioned scale of the Charities is enclosed. Against an estimated income of Rs5,985, an expenditure of Rs2,241 has been budgetted, providing for an annual reserve of Rs3,744. In view of what is said by the Deputy Commissioner and of the fact that the temple has grown in importance and popularity, I request that sanction of Government to a grant of Rs15 per month may be obtained from the annual reserve referred to above.

The connected records are forwarded herewith for reference.

I have the honor to be,
Sir,
Your most obedient servant,

K V Anantaraman

Muzrai Commissioner.

No. M .2103/36-37 dated 31st March 1937 from the Deputy ioner, Tumkur District, to the Muzrai Commissioner in Mysore, re.

Subject:- Grant-in-aid for maintenance charges of Sri Ramadeva temple Sri Krishnaraja Extension, Tumkur.

With reference to your official Memorandum No.F.C.278/36-37 da 5-1-1937 calling for a report on the representation of Mr. M.Venkatasamiah and other Hindu residents of Sri Krishnaraja and Someswarapura tensions of Tumkur town for sanctioning a grant of Rs.15/- per month the funds of the late Damodar Dass Charities in the Kunigal Taluk to Sri Rama Deva temple in Tumkur Town, I have the honor to state as follows:-

2) The temple came into existence from the charity of the late Mr. C.Seshadriengar, Retired Assistant Commissioner in the year 1902, need was felt by the residents of that part of Tumkur town for a religious institution of the kind. The sevas in the temple both Nithyaka and Hetchukattle were being attended to by means of private subscripti till m 1910. As more and more houses sprang up in the two extensions the temple grew in importance and usefulness and the temple buildings were improved by the devotees from time to time, by the addition of a extensive verandah: Archak's quarters and an Aswathakatte.

3) A need for Government help for meeting the maintenance and other charges was then felt and on a recommendation made in the matter Government were pleased to sanction a monthly allowance of Rs.5/- as noted in the margin* (C.C.No.2307-80 Muz.257-18-4 dated 18-2-1919).

From the funds of Sri Anjaneyaswami Temple at Kyamenahalli, Koratagere Taluk.	3-12-0	The Temple is class as a Village Muzrai Institution and in view of its importance and usefulness
Government grant in respect of Sri Ramadevaru temple at Chinaga, Tumkur which had stopped functioning.	1- 4-0	
Total:-	5- 0-0	

a committee of Dharmadarsis was appointed to manage its affairs. The grant of Rs.3-12-0 per month is not being received for over a year owing to the funds of Sri Anjaneyaswami Temple at Ayamenahalli being depleted on account of recent improvements effected thereto and the objection of the Dharmadarsis of that temple to continue the grant. Much difficulty is therefore being felt for meeting the pay of the Archik, the Sridevaru and other temple servants and for the conduct of Nitmakattle sevas.

4) The temple has no other means of income and the prayer of the petitioners for a suitable grant is deserving of sympathetic consideration. The temple is well situated; neatly kept and

religious needs of a large portion of the Hindu community in the two extensions of Tumkur Town. A suitable monthly grant is therefore required for the maintenance of the institution in a proper condition.

5) The scale of income and expenditure recently sanctioned for the Dalodar Doss Charities in the Kunigal Taluk shows an annual reserve of Rs.3889-0-0 after making provision for all items of expenditure to be incurred in connection with the said charities. The Amildar, Kunigal Taluk, recommends a monthly grant of Rs.15/- to this institution from the funds of Dalodar Doss Charities. The Gubbi Sub Division Officer recommends a grant of Rs.10/- per month. I recommend that in view of the popularity and usefulness of Sri Ramadevary Temple to the public at large in Tumkur and in view of the heavy maintenance charges it has to incur a monthly cash grant of Rs.15/- may be sanctioned from the annual reserve of Rs.3889-0-0 (vide scale sanctioned in your No.D.1.Dis.37/36-37 dated 3-10-1936) to this institution. The petition received with your letter together with the connected records is enclosed for reference.

ORDER OF THE MUZRAI COMMISSIONER IN MYSORE.

REFERENCE :—

This office order No. R. Dis. 173—26-27, dated 19th April 1927, sanctioning a scale of income and expenditure for the Damodar Doss Charities in the Kunigal Taluk.

Correspondence ending with letter No. M. 2464—33-34, dated 27th April 1936, from the Deputy Commissioner, Tumkur District, submitting proposals for revising the scale.

Order D1 Dis. No. 87—36-37, *Enc.* 3, *Bangalore, dated 8th October* 1936.

Since the date of the last revision, further investment has been made on behalf of the institution and this yields an additional income of Rs. 1,949-2-0 a year. The proposals formulated by the Deputy Commissioner provide for a total expenditure of Rs. 2,969-8-0, resulting in an increase of Rs. 918-8-0 a year.

2. It is observed that the revision proposals have not been framed on any definite principle and with reference to the requirements of the institutions and that they have been suggested simply because money is available. That the proposals have not at all been scrutinised is clear from the fact that 30 seers of rice have been valued at Rs. 8 which works out approximately to Rs. 26 per palla. It does not appear to have been realised that considerable amounts are urgently needed for the renovation of the temple buildings and restoration of tanks, etc., in the endowed villages and that economy has to be strictly practised in budgetting the expenditure of future years.

3. As a result of close scrutiny in this office, it has been found that there is no necessity to increase the pay of the Establishment or the provision under Nityakatle in view of the ruling low prices of food grains. Small increases under certain other items which were found necessary have been allowed, thus raising the aggregate expenditure to Rs. 2,241 against Rs. 2,171 of the existing scale and providing for a reserve of Rs. 3,744-2-0 a year. The scale as appended to this order is accordingly sanctioned for a period of five years from 1st October 1936.

Muzrai Commissioner.
